PREZ NOTES

June 2022

Hello CAG Members,
We've had a busy spring! The first weekend of May we joined the Color & Light Society to hold an art show at Leonardtown's First Weekend. Then the following weekend, CAG had its annual Award Show at the Sailing Association in Solomons. Many ribbons and prize money were given out. Unfortunately, both weekends were washed out by rain, but we all enjoyed the shows.

Our next show is July 23rd & 24th at the Sailing Association. I will be away for that show. Is anyone willing to pick up the A-frame sign that sits outside the Sailing Association that advertises the show?

Don't forget that CAG members have been invited to display their artwork in August and September at the CalvART Gallery in Prince Frederick. There is no entry fee, but if your artwork sells the Gallery will take its 30%. Dale Godwin, the Gallery's manager, will be tagging and hanging your work. All Dale requires is that your work must be brought to the Gallery by July 30/31, or sooner. (Check the Gallery's hours before you go). The show starts August 3rd and goes through Sept. 30th. There will be a reception on Saturday, August 13th from 1:00 pm to 4:00pm. Please email me **(even if you have before)** if you plan to take part in the show by **Sunday, July 10th** because Dale will advertise our show with our names on an artistic postcard. Bye for now...

Sunflower Art for Ukraine

Sunflowers are the national flower of Ukraine and are considered to be a symbol of peace. Since the invasion of Ukraine by Russia, sunflowers have become a symbol of resistance.

Organized by Pam Callen, this spring CAG artists painted and printed sunflower pictures in support of Ukraine. Several thousand dollars have been donated to the World Central Kitchen and Doctors without Borders from the sale of these pictures.

ARTISTS IN WONDERLAND - The Pop-up Show in Leonardtown

The Calvert Artists' Guild partnered with the Color and Light Society of Southern Maryland, the Town of Leonardtown, the St. Mary's County Arts Council, and the Port of Leonardtown Winery to produce a spectacular pop-up art show at the old Bell Motor Company building in Leonardtown. The show ran for three of the rainiest days of the year, but visitors did come by in a steady supply to see our wares.

A team from the two art groups transformed the space with imaginative and extensive decorating in keeping with the town's theme for the unveiling of "Alice in Leonardtown" murals. There were several outdoor events that had to be cancelled because of weather, but we were cozy in our inside space and some of our artists were elaborately dressed in appropriately themed costumes!
